

# Learning for the learning industry from the N. Korea threat

**Irreversible Destruction**

**Volume 1 | Issue 14**

15<sup>th</sup> March'2017

*By Prashant Khanna*

**We have broken this article into 4 parts**

- **Past**
- **Present**
- **Future**
- **Relationships**

◆ **Past**

- In desperation a developed culture like the US has used a Nuclear option
- Patient and complete analysis may not be done in the recent past like Iraq and Afghanistan
- Iran has shown there is way for peaceful options

◆ **Present**

- The political system is not controlled by one all powerful
- This is enabled a more restrained reaction instead of an impulsive one

◆ **Future**

- The options of peaceful means of preventing N Korea from desperation will be considered
- Military options shall be only to restrain

## Relationship

- Non violent methods of managing conflict will need to mature
- A holistic approach to problems will need to be balanced with immediate needs

### — Summary —

- Learning professionals will need to train on non violent methods of handling conflict
