

Learning for the learning industry from SpaceX Moon Flight

Content Lives

Volume 1 | Issue 11

1st March 2017

We have broken this article into 4 parts

- **Past**
- **Present**
- **Future**
- **Relationships**

◆ Past

- We landed a man on moon
- After nearly forty years we may be sending tourists around moon

◆ Present

- We know universe is ever expanding
- Mysteries and horizons in space will keep on increasing

◆ Future

- At the present rate we may see manned flights to other planets in the solar system
- There will be many unknowns even when we leave

◆ Relationship

- We must look for contentment in our relationships
- We must associate our new and our present relationships with more balanced lives

Learning for the learning industry from SpaceX Moon Flight

✂ Summary ✂

- There will be many unknowns to the human thought and experiences for generations to come
- We must strive for contentment and balanced lives and not just the rat race
